- Warn the public that this beast is out there
 - Explain that he is unknown and may be dangerous
 - Detail where he has been seen and what to do if he is spotted.
 - Give a detailed description of his appearance.
 - Give a detailed description of his actions

Recently, locals have spotted a serial boy east of Burgess Woods murdering innocent creatures with ease. At least 50 sightings of this murderer have been reported. Unfortunately, few have come back alive. ^{sp.}Wielding a blunt axe and a surgical knife to murder its victims, and step out of order he has disrupted the peace of Saltwell.

^{sp.} wielding unfortunately
wielding unfortunately

Even with a small 5ft frame, he lifts triple his weight while still having a nimble body. His eyes go wild and loose its pupils as it crunches the bones of its victims. Its hair is wild and untamed as it flows through the air. The savage, who hunts for blood is getting wilder as we speak, it has been seen ripping flesh from its victims bones before departing.

WARNING - do not approach it or its lair. Do it at your own risk.
